Dear Sir:

I was reading a murder  
story in one of the Nov. 63. issue  
of a Detective Magazine. Also  
listened to the Lecture of Robert  
Frank Mistr. on Condition  
of men around the  
Country with other Pictures  
in the book before, though  
I should have left to book  
as soon as I bought it. Would  
like the proper authority to  
copy it.

Very much in this kind  
of story, but should send  
them to you.

I have written the name  
of your office kindly  
in this page, for your  
reference. 1744 N. LaSalle

I would send it to you.  
At your department. I would  
see the proper authority to

It may not be Lee Oswald  
but if so I should send
